

Attention FDA

5699 '00 MAR 22 A10:38

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

NO.

no - How About Medicare?

*Because Most Deaf & Hard of Hearing Persons
Are Senior Citizens Struggling with our Finances!*

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

*Driving about 40 miles Roundtrip in Heavy
Traffic!*

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

*no - The FDA should
concentrate on The General Population Not on Disadvantaged
Persons.*

4. Should I be allowed to purchase hearing aids by mail as I choose?

yes, definitely.
